Peter Hu

Dear Peter,

I am delighted to inform you that the Governing Body elected you into a Bundy Scholarship in recognition of your excellent First Class performance in the Computer Science Tripos Part III examinations. The amount of this Scholarship is £350. In addition, you have been awarded the Andrew Clarke Memorial Prize for Computer Science for £150.

You may be interested in the origin of your Bundy Scholarship. Major Harold Philip Bundy (*matriculated 1914*) established the Bundy Fund on his death in 1958 to “award a Tripos Scholarship to undergraduate members of the College who attain a First Class in their final Tripos Examination for the BA Degree”.

Please send confirmation of your UK bank details through the link below in order for us to arrange a bank transfer for you. Payments will be made before the start of the next academic year.

The names of all Scholars, Exhibitioners, and prize winners are traditionally published in the College Magazine, and posted on the screens in College. If you would prefer your name not to be published, please inform the Academic Registrar, Mr Cei Whitehouse (registrar@magd.cam.ac.uk) no later than 31 August. Full details of the College privacy policy are available [here](#).

I hope that you will accept my sincere congratulations on your academic performance and upon these awards.

With all best wishes for your future.

Yours sincerely

Prof S Martin
